

Wild Rivers Invasive Species Coalition (WRISC)

BOATWASH OPERATION HAZARD TRAINING - STAFF

As an employee of the Wild Rivers Invasive Species Coalition (WRISC), or one of its Partner agencies, I certify that I have received training on the safe operation of WRISC's trailer mounted, hot water pressure washers for their use in watercraft aquatic invasive species decontamination. I have been supplied with the equipment owner's manuals which include information on operation, safety, and maintenance of the equipment. I agree to only operate this equipment in the course of my work duties and in accordance with manual procedures and WRISC's operation guidelines for watercraft decontamination.

Wild Rivers Invasive Species Coalition (WRISC)

BOATWASH OPERATION HAZARD TRAINING -VOLUNTEER

I certify that I have received training on the safe operation of WRISC's trailer mounted, hot water pressure washers for their use in watercraft aquatic invasive species decontamination. I have been supplied with the equipment owner's manuals which include information on operation, safety, and maintenance of the equipment. I agree to only operate this equipment according to manual procedures and WRISC's operation guidelines for watercraft decontamination.

As a volunteer, I fully understand and agree to assume all risks involved in any and all watercraft decontamination that I perform utilizing WRISC's equipment. I agree to hold WRISC harmless for any injury(s), loss, or damages, which I might sustain during the course of my volunteer duties. This waiver does include myself, all of my family members and descendants forever from seeking any legal action whatsoever against the Wild Rivers Invasive Species Coalition, or any successor organizations or representatives thereof.
